

Full Time Therapist

With so many client inquiries, this tiny private practice is ready to grow. Bloom & Balance Psychotherapy, LLC is searching for a new therapist to become a part of a therapy practice that embraces clinical growth, work-life balance, integrity and collaboration. You spent a minimum of 6 years in college, so why aren't you doing what you love with people that are totally awesome? You can make it happen at Bloom & Balance Psychotherapy, LLC.

About the Position:

- W-2 employee status
- Compensation is a percentage based on billable hours and paid out monthly
- Remote telehealth position
- Work up to 25+ client facing hours per week for full-time status
- Benefits package after you are full-time status
- Create your own schedule
- Flexible time off
- Collaborative and super fun team environment
- Monthly payroll including paid no show appointments
- Website profile, therapy directory and digital marketing to boost referrals
- Administrative team manages insurance, billing, marketing, referrals, etc...

Requirements:

- Reside in the State of Georgia.

- Active State of Georgia license as an LPC, LCSW, LMFT or Licensed Psychologist.
- A minimum of 5 years post-licensure status working with adults and/or couples.
- Completed a board approved telehealth CE course for providing telehealth services.

Preferred Qualifications:

- Reside in the low country.
- Advanced training or certifications in any evidenced based treatment modality (i.e. CBT, IFS, DBT, EMDR, etc...).
- You are already paneled with one or more insurance companies in Georgia.

We understand that you may be in a full-time position without a case load to bring with you. We will work with you to make the transition from full-time employment elsewhere to full-time employment with us smooth and easy. We've all been there.

Please send your resume and cover letter highlighting how awesome you are, your niche(s), clinical specialties and why you are a great fit for our team to:
